System Requirements

The following bulleted list was taken from the system requirements page for Adobe Creative Cloud. For more information, please go to the following website: <https://helpx.adobe.com/premiere-pro/system-requirements.html>

- ***Intel® 6th Generation or newer or AMD equivalent processor***
- ***Microsoft Windows 10 version 1703 or later***
- ***8 GB of RAM (16 GB recommended for HD media)***
- ***8 GB of available hard-disk space; additional free space required during installation (cannot install on removable flash storage devices)***
- ***1920 x 1080 or greater video resolution***
- ***Internet connection and registration are necessary for required software activation, validation of subscriptions, and access to online services.***
- ***Webcam***
- ***Microphone***

Accidental Damage Protection Warranty (for at least the time you are in school) is highly recommended.

*Western Dakota Tech will be providing **Microsoft Office 365**. The software is only valid while you are a current student attending Western Dakota Tech.*

Western Dakota Tech is a PC campus. Chromebooks and Apple products do not meet laptop requirements and are known to have compatible issues with software used in our courses.

*Students in certain Business & Technology courses are responsible for the purchase of the current version of **Adobe Creative Suite Design Premium**. Please check the course syllabus for additional information.*
