Section One: Services to Students

BOOKSTORE

The WDTC Bookstore, located in Dakota Hall, offers a wide variety of school supplies and WDTC apparel in addition to required textbooks. Students are encouraged to keep their bookstore receipt for a variety of purposes, including tax preparation. The bookstore cannot issue duplicate receipts.

Required Course Material

WDTC complies with Section 133 of the Higher Education Opportunities Act (PLL110-315) by providing students with access to required course material. Students may obtain this information at <https://www.wdt.edu/student-life/bookstore>, at <https://www.wdt.edu/current-students/wdt-master-syllabi/>, and through their course instructors.

Students are encouraged to review their syllabi through MyWDT for a full list of tools and/or additional software that may not be available for purchase through the WDTC bookstore.

Textbook Return Policy

Students may return textbooks to the bookstore under the following guidelines:

- During the official add period for a course, students may return textbooks, with a receipt, for a full refund.
- After the official add period and before the end of the official drop period for a course, students may return textbooks required for the dropped course. Textbooks must be returned within one week of dropping said course. No other refunds will be given.
- Textbooks must be in salable condition and must be accompanied by any workbook originally sold with the textbook.
- Textbooks sold with software may not be returned if opened.
- Textbooks sold with access codes may only be returned if access code is not revealed.

Textbook Buy-Back Policy

The WDTC Bookstore offers a book buy-back period at the end of the fall and spring semesters. The bookstore buys back textbooks in the amount and the quantity shown on the current buy-back list. The WDTC Bookstore buy-back is funded by Nebraska Book Company. Buy-backs and prices are determined by the Nebraska Book Company.

- Prices are quoted for relatively clean books with sound bindings.
- Textbooks with poor bindings or books that are worn or frayed may be purchased at lower prices.
- Paperback textbooks in poor condition have no value.
- Textbooks may be highlighted and underlined in the text. Very little ink pen writing is allowed. Pencil writing or marks must be erased.
- Textbooks previously purchased in new or used condition may qualify.
- Receipts are not required.
- Students funded by third-party funding agencies are responsible to know the policy of their funding agency in regard to textbook buy-back eligibility.

CAREER SERVICES

The Career Services Office at WDTC collaborates with academic and other support units to provide career development assistance to students seeking career and part-time employment opportunities. Prospective graduates seeking placement assistance can contact the Student Resource Coordinator located in the Student Success Center or Director of Industry Relations and Grant Management in Corporate Education for help with resumes, interview skills, application preparation, and job search tools.

Maintaining a full academic schedule is a full-time job and should be each student's first priority. The Career Services Office assists students as much as possible in finding part-time after-school employment while attending

WDTC when requested. Full-time and part-time employment opportunities for WDTC students will be posted online through the 12Twenty platform. Access 12Twenty from MyWDT.

Western Dakota Technical College does not guarantee placement to any student. WDTC Career Services collects placement data from graduates. Placement data can be found online here: <https://www.wdt.edu/future-students/placement-report>.

COUNSELING SERVICES

Counseling services are available to students through a third party. Please contact the Student Success Center for more information at 605-718-2955 or by email at StudentSuccessCenter@wdt.edu.

DISABILITY SERVICES

In accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA), it is the policy of Western Dakota Technical College to ensure that no qualified person shall, solely by reason of disability, be denied access to, participation in, or the benefits of, any program or activity operated by the college. Western Dakota Technical College works to ensure campus accessibility for persons with disabilities, which include, but is not limited to, admissions, services, educational opportunities, programs, activities, employment practices, and facilities use/maintenance (except those that would result in fundamental alteration of programs, place undue financial and administrative burdens upon the college, and that can be provided without lowering academic and other essential standards).

Transitioning

Transition to higher education is a big step. As a student entering post-secondary education, you have new rights and responsibilities related to your disability. It is important to inform yourself, so you can fully engage in the educational opportunities available. These pamphlets, published by the Office of Civil Rights of the Department of Education, provide guidance and suggestions for students entering post-secondary education.

- <https://www2.ed.gov/about/offices/list/osers/transition/products/postsecondary-transition-guide-may-2017.pdf>
- <http://www2.ed.gov/about/offices/list/ocr/letters/parent-20070316.pdf>

Student Responsibility

To be eligible for accommodation, the student must contact the Director of Student Success, Student Resource Coordinator, or designee to submit required documentation and to complete the ADA Student Request for Services form located in MyWDT. This contact should be made as early as possible to set-up a meeting either in person, over the phone, or virtually. It is the student's responsibility to provide medical or other diagnostic documentation of disability and limitations. If documentation is not available or is inadequate for determining academic needs, the student may be asked to participate in additional evaluation prior to receiving accommodations. The student will incur the cost of this testing. Once the need for ADA accommodations is verified, the student is responsible for talking with, and getting signatures from, instructors in classes where accommodations will be used.

Students with disabilities are not exempt from following WDTC policies and procedures such as program attendance requirements and assignment due dates.

Faculty and Staff Responsibility

If a student discloses a disability to a staff or faculty member, the staff/faculty has the responsibility to direct the student to the Student Resource Coordinator.

More information about the student, faculty, and staff responsibilities can be found in the Disability Services Handbook found here: <https://www.wdt.edu/current-students/section-504ada-process>

Academic Accommodations

The Director of Student Success, Library & Disability Services Coordinator, or other designee will review the documentation and conduct an interview with the student to determine appropriate accommodations.

Instructional/classroom accommodations may include, but are not limited to:

- Tests read aloud
- Enlarged material
- Extended time on exams (up to 1.5 times)*
- Reduced-distraction environment
- Note-taking assistance
- Digital textbooks, as available
- Recording devices
- Preferential seating
- Graphic organizers

*Speaking English as a second language or being an English Language Learner is not considered a disability. Students in this situation seeking extended time will not qualify through the ADA accommodation process unless they also have a disability.

The Director of Student Success, Whitney Bischoff, who serves as the ADA/504 Coordinator, can be reached at 605-718-2965, whitney.bischoff@wdt.edu, or office D160A in the Student Success Center.

Section 504/ADA Grievance Procedure

PRINTING/FAXING

Western Dakota Technical College students have the ability to print from any compatible personal devices (phone, laptop, tablet) to any copier on campus. The cost of printing or making copies is \$.15 for black and white and \$.25 for color per each side of the paper. Fax services are not available for student use.

SERVICE ANIMALS – WDTC Policy 4013

WDTC complies with federal, state, and local laws which allow a service animal to accompany any person with a disability on the WDTC campus, except where noted in the policy. Prior to full campus access, students with a service animal must meet with the Student Resource Coordinator, and WDTC employees with a service animal must meet with the Director of Human Resources.

The complete policy is located on the WDTC website's policy page at <https://www.wdt.edu/about/policies-and-procedures>.

Section Two: Student Achievement and Registration Information

ACADEMIC ADVISING

Students are assigned an academic advisor to assist in completing educational programs successfully, to answer questions, and to discuss problems. All students are encouraged to confer with their assigned advisor regularly throughout the school year. Advisors will meet with students at least once each fall and spring semester during Midterm Advising Day or the two weeks prior to registration to provide recommendations for next semester classes, answer questions, and provide direction. Students are responsible for their own plan of study.

ACADEMIC AMNESTY

Academic amnesty, when awarded, exempts courses on a student's transcript from being calculated into a student's cumulative GPA. A student can apply for and be granted academic amnesty one time during the student's entire enrollment period at WDTC. A student may petition for academic amnesty based on one of the following:

1. **Change of Program**: A student who has attempted credits at WDTC within the last year and who has been accepted into a new program may petition for amnesty for all credits not in the student's new program of study from being calculated into the cumulative grade point average.
2. **Interruption in Enrollment**: A student who has completed a minimum of one year of non-enrollment (three consecutive terms including fall, spring, and summer) and who has been reaccepted into WDTC may petition for amnesty for all credits accumulated previously that do not apply to the current program from being calculated into the cumulative grade point average.

- The student must petition for amnesty by completing the Academic Amnesty form.
- The Registrar's approval is required before amnesty will be granted.
- Students who were not making satisfactory academic progress during the most recent enrollment term will be required to complete a success plan with a Student Success Coach prior to registering for courses.
- Exempted courses will remain on the transcript but marked to indicate that hours and grades were not used in computing credit hours earned and cumulative grade point average.
- Exempted grades will be noted on the transcript with an asterisk (i.e. D* or F*), and a note will be placed on the transcript noting the date that academic amnesty was granted.
- Exempted courses will not be used to satisfy any graduation requirement.
- Financial aid officials will look at all credits attempted, including courses that have been exempted, for financial aid purposes.
- Other schools are not bound by WDTC academic amnesty decisions.

ACADEMIC FREEDOM AND FACULTY RESPONSIBILITIES – WDTC Policy 3001

Student academic performance may be evaluated solely on an academic basis including the knowledge, skills, and behaviors for successful employment, not on opinions or conduct in matters unrelated to academic standards.

The complete policy is located on the WDTC website's policy page at <https://www.wdt.edu/about/policies-and-procedures>.

ADDING/DROPPING COURSES

Students may add a course to their original course schedule during the official add period for each course as stated on the WDTC academic calendar found online at <https://www.wdt.edu/current-students/academic-calendar>, based on space availability. To add a course, the student must obtain the course Add/Drop/Withdraw form from the Registrar's Office or Student Success Center and complete it with all required signatures. Adding a course(s) after the official add period requires permission from the VP for Teaching and Learning.

In the event of late enrollment into a course, the student is responsible for all missed coursework and is subject to any sanctions for late assignments or missed tests as stated on the course syllabus. An adjustment in tuition will

be made, and payment or payment arrangements must be made at the time of enrollment in the course.

Students may drop a course from their original course schedule within the official drop period for each course on the WDTC academic calendar found online at <https://www.wdt.edu/current-students/academic-calendar>. To drop a course, the student must obtain the course Add/Drop/Withdraw form from the Registrar's Office or Student Success Center and complete it with all required signatures. An adjustment in tuition and fees will be made and any refund due, if applicable, will be made after all processing is complete. These courses will not appear on the transcript.

Enrollment status changes during the add/drop period may result in the addition or cancellation of financial aid awards or the requirement for students to immediately repay a portion of their federal financial assistance.

The dates of the add/drop period are published on the academic calendar found on the WDTC website at <https://www.wdt.edu/current-students/academic-calendar/>.

ADMINISTRATIVE WITHDRAWAL DUE TO NON-ATTENDANCE

Students who have a record of zero (0) attendance for twenty-one (21) calendar days will be administratively withdrawn from WDTC and placed on academic suspension. Upon administrative withdrawal, all current course grades will be changed to a "WF" – Administrative Withdrawal with F's. Administrative withdrawals are final. Students will be notified of their administrative withdrawal via their student email account and U.S. mail at the address on file.

Students who receive financial aid will have their financial aid status affected. Students should contact the Financial Aid Office as soon as possible to be advised on their Satisfactory Academic Progress status, future eligibility, and federal student loan repayment options, as applicable. Students who receive third-party funding need to contact that agency for details.

Students who plan to return to WDTC in the future must meet with a Student Success Coach to complete a success contract.

Students are encouraged to contact WDTC to properly withdraw from WDTC before administrative withdrawal occurs. Withdrawing versus being administratively withdrawn may have less severe financial and academic consequences.

ATTENDANCE

Students are expected to attend all sessions of courses for which they are enrolled. Absences do not excuse the student from meeting course requirements. Each instructor will provide policies concerning course attendance and the ability to make up missed work on their course instructor syllabus or in a program-specific student handbook. It is the student's responsibility to know and understand the attendance requirements and make-up policies for each course.

Students subpoenaed to testify in court (in a case in which they are not a party) or summoned to serve on a jury panel are asked to speak to their instructors about meeting course requirements for the time they are required to be in court.

AUDIT

Students may audit a class instead of taking it for credit. Audit students must pay all tuition and fees prior to being enrolled in the course. Audit students are also responsible for book, material, tool, and supply costs associated with the course. Audits are allowed on a space-available basis. Financial aid is not available for audit courses.

Students taking a course for Audit (AU) will not be able to transcribe the course for credit at a future date. Audit courses do not calculate in the student's overall WDTC GPA, do not count toward graduation requirements, do not meet pre-requisite course requirements, and may not be dropped or withdrawn from after the official drop date for that course. The official drop date for each semester is listed on the academic calendar on the WDTC website at <https://www.wdt.edu/current-students/academic-calendar/>.

CHANGE OF NAME/ADDRESS/EMAIL/PHONE

All students must maintain current contact information in the event of an emergency. Current addresses, emails, and phone numbers are also important for job placement contacts. Students may update their information on the "How To" page in MyWDT or through Enrollment Services. Name changes require valid documentation and can be completed by contacting Enrollment Services.

CHANGING PROGRAMS

Students need to visit with their Student Success Coach to request a change of program. Students must meet the admission's requirements of the program they seek to enter. Students are encouraged to speak to the Financial Aid Office to determine future aid eligibility as a result of changing programs. For current students, change of program forms are processed at the end of a term. Western Dakota Technical College does not allow double majors unless the first program upstreams 100% into the second program, as is the case with embedded or stackable programs. See the Registrar's Office for a listing of embedded and stackable programs.

COURSE CHALLENGE

Course challenges are offered for select courses. A standard fee shall be charged to students who request the course challenge opportunities. The fee must be paid to the Student Accounts Office prior to the selected course challenge dates. The Student Success Center sends an email to a student's WDTC email account with upcoming course challenge opportunities, including dates and fees. Students may challenge a course either to remove a remedial requirement or to earn credit for a program requirement.

Students taking a course challenge to remove a remedial math or English requirement must obtain a score placing them into a higher-level math or English course. See the Registrar's Office for MATH 112 requirements.

Students taking a course challenge to earn credit for a course must earn a "B" or better to pass the exam (in accordance with general education/technical grading scales found in the "Grading System" section of the WDTC Student Handbook). If a "B" or better is earned, the credit will be posted to the student's transcript and noted as "CE". Students are allowed two testing opportunities per testing window for the same course but must adhere to the registration and fee payment guidelines. If standards are not met, the student will be required to pay full tuition and take the course.

Course challenges are offered prior to the start of each semester for all students and just prior to the end of the fall and spring semesters for current students.

COURSE/SCHEDULE CHANGES, COURSE CAPACITY, AND COURSE CANCELLATIONS

WDTC reserves the right to change course times, days, and rooms. WDTC reserves the right to set course capacity and cancel courses.

COURSE SUBSTITUTIONS

Students requesting a course substitution to fulfill their plan of study requirements must work with their Program Director to complete a Course Substitution form through the Registrar's Office. The VP for Teaching and Learning will make final approval/denial of all requested course substitutions.

COURSE WITHDRAWAL

Courses withdrawn from after the official add/drop period but prior to completion of 75% of the course will carry a "W" indicating withdrawal on the transcript. Students who withdraw from some, but not all, courses after the

official add/drop period will not be granted a refund and financial aid may be affected.

Students cannot withdraw from courses after completion of 75% of the course. The last day to withdraw from a course and receive a "W" is listed on the academic calendar for each term on the WDTC website at <https://www.wdt.edu/current-students/academic-calendar/>.

Students who leave courses after the last day to withdraw from the course will receive grades earned and no refunds will be granted.

CREDIT TRANSFER – WDTC Policy 3002

Students requesting credit at WDTC for post-secondary work completed at other schools must submit an official transcript from the school(s) previously attended. It is the student's responsibility to submit official transcripts and any required documentation before engaging in a course for which they think they may qualify for transfer credit. A transfer credit evaluation may take up to six weeks after an official transcript is received in the Registrar's Office.

The complete policy is located on the WDTC website's policy page at <https://www.wdt.edu/about/policies-and-procedures>.

Students interested in transferring WDTC credits to other institutions of higher learning should review the College's transfer agreements with those institutions. Articulation agreements can be found at <https://www.wdt.edu/future-students/transfer-of-credit>.

DEAN'S LIST

The Dean's List is published at the end of the fall and spring semesters. The purpose of the Dean's List is to promote academic excellence and give recognition to students who, through their initiative and ability, have earned a 3.5 or higher GPA for a minimum of 12 credit hours in a given semester.

DUAL ENROLLMENT

Dual Enrollment allows high school students to enroll in courses at WDTC and earn credit for high school graduation as well as postsecondary credit from WDTC. By enrolling in course(s) with WDTC, Dual Enrollment students are subject to all rules and regulations spelled out in the WDTC Student Handbook. Contact the WDTC Admissions Office for details.

Per SB 142, students who receive a 'W', 'WF' or 'F' in a Dual Enrollment course lose eligibility for the SD Dual Enrollment Program. For more information or to appeal a Loss of Eligibility please complete the appeal paperwork found on our website at www.wdt.edu/dual.

All Dual Enrollment students are required to complete Jumpstart Orientation EACH semester they are enrolled at WDTC. WDTC provides the option to complete this requirement by attending a live session prior to the start of the semester or by completing a virtual component through MyWDTC. Any dual enrollment student who has not completed this orientation requirement will have a hold placed on their student account. High school transcripts and final grades will not be released until the requirement is fulfilled.

ENROLLMENT STATUS

Individuals are considered students upon initial enrollment in courses at WDTC. Enrollment ends upon graduation or withdrawal from WDTC. For academic and financial aid purposes, in the fall and spring semesters (and summer for financial aid), students are considered full-time at 12 or more credits, three-quarter time at 9 to 11 credits, and half-time at 6 to 8 credits. For academic purposes, in the summer semester, students are considered full-time at 6 or more credits and half time at 3 to 5 credits. Third-party funding agencies may have different definitions for enrollment status.

GENERAL EDUCATION PHILOSOPHY

General Education at Western Dakota Technical College provides a foundation for study in the academic programs imparting broad knowledge and intellectual concepts to students and developing skills and attitudes that Western Dakota Technical College believes every college-educated person should possess. Students gain knowledge in the areas of social sciences, natural sciences, mathematics, communications, computers, as well as arts and humanities. Courses support the institutional learning outcomes of critical thinking, technical knowledge and skills, communication, and professionalism.

GRADE LEVELS

A student in an Associates of Applied Science degree who has earned at least 30 credits in that degree will be considered a 2nd year student. A student in a program leading to a certificate or diploma is considered a 1st year student.

GRADING SYSTEM

Western Dakota Technical College uses a letter grading scale for recording student achievement. A grade or transcript code will be issued for each course and placed on the student's transcript denoting student achievement. The following grading system is used:

A	- Excellent	4.0 points
B	- Above Average	3.0 points
C	- Average	2.0 points
D	- Below Average.....	1.0 points
F	- Failing	0.0 points
I	- Incomplete.....	No points
IP	- In Progress	No points
W	- Withdrawal.....	No points
WF	- Administrative Withdrawal with Fs	0.0 points
AU	- Audit	No points

Other transcript codes include:

TC	- Transfer Credit	No points
CE	- Credit by Exam	No points
TF	- Transcription Fee.....	No points

Grade Point Average

A student's earned grade point average is determined each term by adding grade points and dividing by the sum of all the credits with the exception of "no point" grades/codes noted above. The cumulative grade point is the same calculation for all terms enrolled combined.

Grades of I, IP, W, AU, TC, CE, and TF are not used in the calculation of grade point average. The designation "R" is used when a course is retaken. The highest grade of a repeated course (R) will be used to calculate the cumulative GPA, and the other grade(s) received will not be recognized in the calculation but will remain on the transcript. Please note that grades of Failing (F), Incomplete (I), In Progress (IP), Withdrawal (W), Administrative Withdrawal with F's (WF), and Audit (AU) grades are not counted as hours successfully completed.

Grading Scales

General Education courses as listed in the WDTC Catalog except CJUS 201 utilize the following scale:

A	- 90 to 100%
B	- 80 to 89%
C	- 70 to 79%
D	- 60 to 69%
F	- 0 to 59%

All other WDTC courses, other than those stated above, utilize the following scale:

GRADUATION

Students should keep their plan of study current. It is wise to review this plan with an academic advisor at midterm and at the end of each semester to ensure that all required courses are taken in order to graduate. Students must apply for graduation at the start of their final semester.

All requests for transfer of credit from a higher education institution must be received and evaluated before a student qualifies for graduation.

In order to be eligible to receive a certificate, diploma, or an AAS degree students must:

1. Provide evidence of high school completion through an official high school transcript or a GED certificate.
2. Complete all program and institutional curriculum requirements in accordance with Satisfactory Academic Progress Standards. (Some programs have additional requirements that must be achieved. Students should check with their academic advisor.)
3. Attain a cumulative grade point average of 2.0 or higher.

In order for official transcripts and diploma(s) to be released, students must:

1. Fulfill all financial obligations to WDTC.
2. Complete financial aid exit counseling, if applicable.

Students who have not met all certificate/diploma/degree requirements will not be allowed to participate in graduation ceremonies. Exception: Students in programs that complete certificate/diploma/degree requirements in the summer may walk at the spring graduation ceremony if all course requirements other than the summer courses as listed in the academic catalog are met.

Degrees, diplomas, and certificates will be conferred once the Registrar's Office confirms all course requirements are met.

GRADUATION HONORS

WDTC awards honors to graduates of diplomas and Associate of Applied Science degrees who earn certain cumulative grade point averages. To receive an Honors Designation at graduation, students must earn the following cumulative grade point averages:

- Summa Cum Laude: equal to or greater than 3.9
- Magna Cum Laude: equal to or greater than 3.7 and less than 3.9
- Cum Laude: equal to or greater than 3.5 and less than 3.7

Students who achieve an honor designation will receive a gold (Summa Cum Laude), silver (Magna Cum Laude), or white (Cum Laude) cord to wear during commencement. WDTC does not round cumulative grade point averages.

INCOMPLETE GRADES

An incomplete grade is issued at the discretion of the instructor, with approval by the VP for Teaching and Learning, and is normally only granted based on individual student circumstances. Students on academic probation are not eligible to receive an incomplete in any course. Incomplete grades are not calculated in the grade point average until they are replaced with the grade earned. A student must complete an incomplete within two weeks following the grading period for which it was received. Incomplete grades are changed to an "F" if a student does not complete course requirements within two weeks.

Exceptions to this requirement may be granted with approval of the instructor and the VP for Teaching and Learning.

INDEPENDENT STUDY

Normally, coursework is not taken as an independent study unless there are extenuating circumstances. In all cases, approval must be provided by the respective instructor, academic advisor, and the VP for Teaching and Learning. Students who have failed a course may not repeat it as an independent study.

LOCATION/RELOCATION WHILE ENROLLED IN A PROGRAM LEADING TO A CERTIFICATION OR LICENSURE

Students (and graduates) who live in or relocate to a location in which their respective program is not currently authorized or if it is unknown if the program is currently authorized may not be able to obtain certification or licensure for the program in which they initially enrolled. Upon initial enrollment into a program leading to certification or licensure, WDTA informs prospective and current students of the impact of location on professional licensure and certification requirements.

It is the student's responsibility to keep the address of their current location up-to-date in My.WDTA at all times and to seek guidance from their advisor, program director, and VP for Teaching and Learning if the student lives in or plans to relocate to a location other than South Dakota as this may have an impact on the student's ability to obtain certification or licensure.

MAXIMUM CREDIT LOAD

Students will not register for more than 18 credits in the fall/spring semester or 9 credits in the summer semester without the permission of the academic advisor and the VP for Teaching and Learning unless they are following the course schematic listed in the catalog. Students requesting an overload must contact their advisor to start the overload request process.

MILITARY WITHDRAWAL DUE TO ACTIVATION AND READMISSION AFTER SERVICE

Western Dakota Technical College realizes students who are members of the U.S. armed forces may be called to active duty, specialized training, or as part of disaster relief efforts with little notice. Students who are activated and have attended classes for 75% of the semester (or 75% of module courses) during which they are called to active duty will be allowed to receive the grade they have earned and given full credit for the course, providing it is a C or higher. Students who are activated prior to 75% of the course or who have not earned a C or higher will receive a "W". This policy does not pertain to initial active duty training (i.e. basic training).

Students who withdraw completely from WDTA will be eligible for refunds based on the criteria in the "Refund Policy and Procedure" section of the WDTA Student Handbook. Students receiving scholarships or 3rd party funding must contact the respective funding agency to determine the impact of the withdrawal on future funding eligibility.

Service members called to military service for a period of more than 30 consecutive days under a call or order to active duty of more than 30 consecutive days shall be readmitted to WDTA under the same academic status as the service member had when last attending or when was last accepted for admission to WDTA. Military service is service in the armed forces, including service by a member of the National Guard or reserve on active duty, active duty for training, or full-time National Guard duty under federal authority. It does not include military service under state authority.

Upon the student's return to WDTA, the student must give written notification to the Registrar's Office stating the semester the student intends to re-enroll in classes at WDTA. In order for the student to be eligible to receive the privileges stated within this section, the student must enroll in classes within three years after the completion of the military service. The Admissions Office will readmit the student to WDTA into the next semester unless the service member requests a later date or unusual circumstances require WDTA to admit the student at a later date.

WDTC will readmit the student with the same academic status, which means the same program to which the student was last admitted, at the same enrollment status, with the same number of credit hours previously completed, and with the same academic standing unless the student chooses a different program or enrollment status. If the student is readmitted to the same program, the student will be assessed the tuition and fee charges that the service member would have been assessed for the academic year the student left WDTC.

The cumulative length of the absence for military service may not exceed five years.

PRIOR LEARNING – WDTC Policy 3015

Prior Learning Assessment (PLA) describes learning gained outside a traditional academic environment. Western Dakota Tech may grant prior learning credit to students who have certifications, licensures, proof of military education or experience, or similar documentation that they meet required competencies for a particular course or program.

The complete policy is located on the WDTC website's policy page at <https://www.wdt.edu/about/policies-and-procedures>.

PROGRAM OF STUDY DECLARATION

A student must declare a program to be eligible to receive Title IV Federal Student Aid or VA benefits.

REGISTRATION

Registration is the process of enrolling in courses each academic term. WDTC will not automatically register a student in the next term without the student's affirmative consent or without allowing the student to cancel their registration before the student is assessed tuition and fees for that term. After completing a midterm advising session with their advisor, students complete a personal information update and register for courses the next semester. Class sizes and sections are limited. Timely registration is essential for students to stay on schedule with their plan of study.

REPEATING COURSEWORK

Any required course a student fails or withdraws from must be repeated. The student is required to pay full tuition and fees for a course being repeated. Any course may be repeated at the student's discretion; however, a student should contact the Financial Aid Office to determine eligibility for funding of repeat courses. Both the original and repeated grade will be reflected on the student's transcript. A repeated course will be designated with an R on the transcript.

SATISFACTORY ACADEMIC PROGRESS – ACADEMIC REQUIREMENTS – WDTC Policy 4010

Western Dakota Technical College (WDTC) requires that all students maintain satisfactory academic progress toward the completion of a degree, diploma, or certificate.

Good Academic Standing – Students must maintain a cumulative grade point average of at least 2.0 on a 4.0 grading scale to remain in good academic standing and to graduate with a degree, diploma, or certificate. Students are responsible for their own academic standing and for seeking assistance when experiencing difficulty.

The complete policy is located on the WDTC website's policy page at <https://www.wdt.edu/about/policies-and-procedures>.

STUDENT ID CARDS AND ID NUMBERS

WDTC will issue every student a student ID card with their student ID number and their legal or preferred name. To ensure the safety of the WDTC community, students are encouraged to carry their student ID card with them at all times. This ID card is the property of WDTC. It can be used when printing from a network printer on campus or for requesting student information, such as passwords, email, or student records. Student ID cards are required to

use the WDTC library and to take advantage of the managed print solution provided by WDTC. More information on printing services can be found at <https://www.wdt.edu/student-life/printing>. Student ID cards are also required to be shown to take advantage of student discounts that are offered at various businesses throughout the community.

All students are assigned a student ID number and temporary password. Once the student has this information, they are required to change their password using WDTC's password self-service site available through the "Change Password" link on MyWDT. All passwords are required to be a minimum of fifteen characters in length, alpha/numeric, with at least one capital letter and one symbol. Student ID numbers are assigned and may not be changed. Student ID numbers/passwords are used to access MyWDT and a student's email account.

STUDENT INFORMATION SYSTEM – MyWDT AND STUDENT EMAIL

Students will have access to Western Dakota Technical College's student information portal, MyWDT, through any device with Internet access. The MyWDT portal is available through a link on the WDTC website, www.wdt.edu, or directly at <https://my.wdt.edu/ics>. Through MyWDT, students will have access to class schedules, grades, billing information, unofficial transcripts, advising, registration, financial aid awards, et cetera.

All student email communications will be sent through the student's official WDTC student email account. Student email accounts will remain active for six months after a student exits WDTC.

For assistance, please contact the Help Desk at (605) 394-5355.

STUDENT RECORDS AND FERPA

Student cumulative files are kept for the benefit of the student and are retained by WDTC as required by law. WDTC defines a student as an individual who is enrolled at WDTC. Each student's cumulative record includes the initial application, copies of transcripts from other schools attended, placement test results, immunization records, original grades, grade changes, WDTC transcript, copies of correspondence, and other records per the WDTC Student Records Retention Policy.

When a student leaves WDTC, the student file is kept for three years. The WDTC transcript, original grades, and grade changes are kept on file indefinitely. If a student does not report for courses after having made application, the record is retained for three years and then destroyed.

Release of Records/Transcripts

Other than Directory Information, no information in a student's record will be released without written permission of the student. WDTC requires a student to complete a release of information form to authorize WDTC officials to release academic records to the respective 3rd party agency.

To request the release of a student's record or transcript, the student must sign a release form or submit a request in writing that includes the student's signature to the Registrar's Office. Requests may be made to WDTC in person, via fax, or through US mail. This procedure must be followed each time the student wishes a record or transcript to be released. The student must state the name and address of the person or agency to receive the record and sign the form or request. No records will be released to or for any student who has not met all financial obligations to WDTC. The Registrar's Office will not release official transcripts on behalf of a current student during a semester's open grading period. Western Dakota Technical College does not have the authority to release transcripts provided to Western Dakota Technical College from another higher education institution.

All students are mailed one (1) official copy of their completed transcript within 30 days of graduation. Additional copies are provided upon receipt of a signed written request and payment of a transcript fee. Students may also request a transcript through the National Student Clearinghouse online at <https://www.wdt.edu/foundation-alumni/request-transcripts>.

Access to Records in the Event of School Closure

In the event of the closure of WDTC, all permanent records of students and former students will be maintained by and available from South Dakota Board of Technical Education, 800 Governors Drive, Pierre, South Dakota 57501.

FERPA – Family Educational Rights and Privacy Act – WDTC Policy 4004

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. Western Dakota Technical College (WDTC) is committed to protecting the privacy of student education records. This policy details WDTC's response to the provisions of this act.

To view the complete policy, including definitions, reporting procedures, and the process for the dissemination of policy and training, go to <https://www.wdt.edu/about/policies-and-procedures>.

USE OF COPYRIGHTED MATERIALS – WDTC POLICY 3010

Western Dakota Technical College is committed to supporting teaching, research, learning and nonacademic operations in the advancement of the college's educational mission. Intellectual, technological, and information resources and materials are provided for use by the entire College community and are to be used in accordance with the provisions of the United States Copyright Act of 1976 as amended, the Digital Millennium Copyright Act of 1998, and the Technology, Education and Copyright Harmonization Act of 2002, unless licenses or agreements exist which allow for exceptions.

All users of such resources and materials are expected to follow the standards outlined in the College's copyright policy found at <https://www.wdt.edu/about/policies-and-procedures>.

WITHDRAWAL FROM WDTC

If a student desires to withdraw from WDTC, the student needs to contact the Registrar's Office or a Student Success Coach as soon as the decision has been made. Upon contacting the Registrar's Office or a Student Success Coach, the student will be counseled on the academic and financial consequences of withdrawing.

Students who withdraw from all courses after the official add/drop period but prior to completion of 75% of the course(s) may be due a partial refund depending on the last day of attendance and financial aid may require adjustment. Any outstanding balance due or refund owed will be communicated to the student via U.S. mail to the address on file. Student Accounts strives to have this information to students in 7-10 days. The last day to withdraw from a course is listed on the academic calendar on the WDTC website at <https://www.wdt.edu/current-students/academic-calendar>.

Section Three: Financial Aid, Third-Party Funding, and Student Accounts

CHECK POLICY

WDTC will not accept personal checks from any person who has made a previous non-sufficient funds payment. This includes all departments on campus that accept personal checks as a form of payment. If a personal check payment made to a student's account is returned by the bank for any reason, the student agrees to repay the original amount of the payment plus the returned payment fee to the returned check collections company. Returned payments and/or failure to comply with the terms of any payment plan or agreement will result in a hold placed on the student's account. A Student Account Hold will halt registration for courses, release of student records, and any of the services offered by Western Dakota Technical College until such accounts are paid in full.

COLLECTIONS

When a student registers for any class at Western Dakota Technical College or receives any service from Western Dakota Technical College, the student accepts full responsibility to pay all tuition, fees, and other associated costs assessed as a result of their registration and/or receipt of services. Students further understand and agree that their registration and acceptance of these terms constitutes a promissory note agreement (i.e., a financial obligation in the form of an educational loan as defined by the U.S. Bankruptcy Code at 11 U.S.C § 523(a)(8)) in which Western Dakota Technical College is providing the student educational services, deterring some or all of their payment obligation for those services, and the student promises to pay for all assessed tuition, fees, and other associated costs by the published or assigned due date.

Balances on past due accounts may be turned over to an outside agency for collection. Students with delinquent accounts at collections will be responsible for all additional collection fees and will result in a hold placed on the student's account. A Student Account Hold will halt registration for courses, release of student records, and any of the services offered by Western Dakota Technical College until such accounts are paid in full.

FINANCIAL AID

The WDTC Financial Aid Office is dedicated to administering the U.S. Department of Education's Title IV Financial Assistance Program in a fair, consistent, and efficient manner, and assisting students in seeking funding opportunities in order to fulfill their post-secondary educational goals by providing personalized assistance, accurate and meaningful interpretation of federal eligibility regulations, and guidance regarding long-term financial considerations and default management.

The Financial Aid Office at Western Dakota Technical College provides financial assistance to students who, without such aid, would be unable to attend school. Financial Aid policies and procedures are found on the WDTC website. If you have questions or would like a bulletin, please see the Financial Aid Office.

The following information is available regarding the rights and responsibilities of students who are applying for or receiving any financial assistance from Federal Pell Grant, FSEOG, FWS, and Direct Student Loan Programs. The Financial Aid Office may be contacted for the student consumer information listed below.

- Continued eligibility for financial aid
- Satisfactory academic progress
- Methods and means of financial aid payment
- Responsibility of student repayment of loans and grants
- Terms and conditions of work-study employment
- Return to Title IV policy

There are many financial aid sites available on the Internet providing student financial aid assistance and

information for students and their families. The websites are maintained by a variety of institutions, professional organizations, and governmental agencies. Visit Western Dakota Technical College's [Financial Aid website](#) for important links.

General Financial Aid Eligibility Requirements:

All financial aid recipients must meet the following eligibility requirements:

- Be enrolled/accepted for enrollment in a degree, diploma or certificate program.
- Have a high school diploma or GED.
- Be a citizen or eligible noncitizen.
- Maintain [satisfactory academic progress](#).
- Cannot be in default on Perkins Loans or any Direct Loan at any institution.
- Cannot owe an overpayment of Pell or SEOG.
- If required, must register with the Selective Service.
- Cannot have borrowed in excess of loan limits.
- Have need, as defined by individual program requirements (except for unsubsidized Stafford Loans and PLUS Loans).
- Meet any other program-specific criteria.

Financial Aid Application Process:

The Financial Aid process can take 3-4 weeks to complete depending on additional information needed. Students are encouraged to submit a Free Application for Federal Student Aid (FAFSA) for the academic year they plan to enroll as soon as possible.

- Before filling out your FAFSA, you will need to create your [FSA ID](#). Your FSA ID gives you access to the [studentaid.gov](#) and can also act as your legal signature.
- Complete the [FAFSA](#). The FAFSA application will determine your eligibility for Federal Student aid. WDTC Financial Aid Office uses your FAFSA results to determine what federal financial aid you are eligible for: federal grants, federal work study, federal loans, or a combination of these.
- Western Dakota Tech's school code is 010170
- You will need your tax information; you will use your prior-prior year tax information. For example, you will use your 2020 tax return when applying for aid for the 2022-2023 academic year
- Be sure to use your name exactly as it appears on your Social Security Card

If you plan to accept all or a portion of the loans, you must complete Loan Entrance Counseling and the Direct Master Promissory Note (MPN). To complete these steps, you would log on to [studentaid.gov](#) using your FSA ID and select "Complete Aid Process". Entrance Counseling ensures you understand your rights and responsibilities to repay your federal student loans and the MPN is the contract you sign agreeing to the terms of the loan.

The Financial Aid Office will verify all applications that have been selected by the Department of Education. If there is conflicting information in the file, the conflict must be resolved even if the application is not selected by the Department of Education for verification. The conflict may be resolved without being chosen for total verification. Western Dakota Tech reserves the right to institutionally select student files on a case-by-case basis if there is reason to believe that data in the file or on the application is inaccurate.

There are different verification groups. If chosen for Verification, the student will be notified, by email, on how to complete the verification process. All verification groups will require a verification worksheet that coincides with the verification group. Students have 14 days from receipt of notification to submit documentation. Students who submit verification documentation after the time requested will be awarded aid on an availability basis.

The Western Dakota Technical College Financial Aid Office cannot provide a Financial Aid Offer until all required documentation has been received and reviewed. Your FAFSA may be selected for the process of verification. For more information about the verification process, please go to [Verification](#).

Next, you will receive a Financial Aid Offer to your personal email address from Western Dakota Technical College. This will outline the types of funding you are eligible to receive for your enrollment at Western Dakota Technical College. Types of funding you may be eligible to receive includes: federal grants, federal work study, federal student loans, or a combination of these. Western Dakota Technical College automatically accepts your financial aid funds for you. If there are any financial aid funds you wish to decline, you will need to complete the decline form: [Financial Aid | Next Steps | WDT](#).

Read your Financial Aid Offer carefully and contact the WDTC Financial Aid Office if you wish to decline any or part of the aid listed. If the WDTC Financial Aid Office does not receive a communication from the student, the WDTC Financial Aid Office assumes you are accepting all aid offered and that you understand and accept the rules and conditions affecting your financial aid. Report any changes in your name, and/or address to the WDTC Financial Aid Office.

If you have a source of educational funding that is not listed on the Financial Aid Offer, inform the WDTC Financial Aid Office either via email at finaid@wdt.edu or in writing. Examples of additional funding that must be reported includes Vocational Rehabilitation, Veteran's Benefits, WIOA, TAA, Tribal grants or loans, all scholarships, stipends, and grants. If you learn about additional funding after you have received your Financial Aid Offer, you are required to notify the WDTC Financial Aid Office in writing as soon as possible and a Revised Financial Offer will be issued.

Financial Aid Summer Session: If planning to attend a Summer term, please contact the WDTC Financial Aid Office at finaid@wdt.edu or 605-718-2988 to determine which FAFSA(s) to complete.

Financial Aid Responsibility:

The Financial Aid Office is responsible for processing your aid application and administering your award in a timely manner. You have the right to expect equitable treatment in the consideration of your application for financial aid assistance. Each student's file is evaluated on an individual basis and financial aid is awarded according to eligibility and packaging guidelines.

The staff reviews files in the order they are completed. Students who provide information to complete their files during peak business times (July, August & September) may experience a delay due to the high volume of files being processed. If you apply or complete your file late, please be prepared to pay with your own funds until your file is reviewed and awarded. Students who are in good standing and have submitted all requirements and are waiting for the financial aid office to review their file, may inquire with the Financial Aid Office staff to determine if they may be eligible to charge their textbooks to their Student Account.

Confidentiality Statement:

The Family Educational Rights and Privacy Act (FERPA), a federal law that protects the confidentiality of a student's education record, specify that the College may not release information from a student's record to anyone outside of the College without the express written consent of the student. This means that Western Dakota Technical College must withhold information about a student's grades, financial obligations, or standing with the College from parents and others who believe their relationship with the student entitles them to have the information. Please understand that because of these laws, Western Dakota Technical College cannot release this information without the express written consent of the student. If the student wishes to give consent to non-College employees, they must complete an Authorization to Release Financial Information form.

Please refer to the Western Dakota Technical College [FERPA Policy](#) and related resources for details. Students may sign a release form, kept on file electronically, granting access to certain records by designated parties. The form needs to either be signed/witnessed by a College Employee or by a notary public.

Financial Aid Disbursement:

Financial aid (grants, fee waivers, scholarships, and Direct Student Loans) are credited to the student's account and applied toward their institutional tuition and fees, provided they are enrolled for the correct number of credits, their financial aid file is complete, and all admissions requirements are met. If a student has a credit balance after all of their institutional charges have been paid, a disbursement through U.S. Bank's Payee Choice will be made for the remaining amount. Credit balances become available to returning students the third week of fall and spring semester and the second week during summer semester. If a student is a first-time Direct Loan borrower, credit balance disbursements will be available after the student has been enrolled for 30 days. All credit balances are disbursed through U.S. Bank's Payee Choice. Students will receive notification from U.S. Bank when their disbursement is available and will need to create an account. Once the student creates an account, they will choose whether the disbursement will be a direct deposit to their bank account, a Zelle payment, or a check mailed to the student's address on file. If an account is not created within 7 days of notification, a check will automatically be processed and mailed to the student's address on file. Please be sure to keep the address on file current.

All fees and other institutional charges are due prior to the start of each semester. If tuition and fees are not paid in full or other payment arrangements have not been made with the Student Accounts Office, the student will be unenrolled from their courses due to non-payment and their charges will be reversed on their student account. It is the student's responsibility to pay any remaining balance on their account not covered by other funding sources prior to the beginning of each semester. The student is responsible for all fees and institutional charges when due, even if they expect to receive financial aid.

Bookstore charges may be available one week prior to classes starting, if all Financial Aid paperwork is complete, or written authorization has been received from Third Party agencies. Vouchers will be provided through the Student Accounts Office.

Student Responsibilities:

If your enrollment plans change, you must notify the Financial Aid Office because your eligibility for financial aid may be affected.

If you receive any educational funding, such as Veteran's Benefits, Vocational Rehabilitation, and/or Employer Assistance, or if you are awarded a scholarship, grant, or stipend, you must report this information to the Financial Aid Office in writing as soon as possible. A Financial Aid Administrator will re-evaluate your eligibility. If you are no longer eligible for part of the aid you have been offered, we will work with you to resolve any over-award as painlessly as possible. If it is necessary that you repay a portion of your financial aid, you will have to repay it before you are eligible for further aid.

After you leave school, you must stay current with your loan payments to the college or lender. If the Financial Aid Office learns that you are delinquent or in default on a loan from another school, your current award could be canceled.

Western Dakota Technical College students who utilized Direct Student Loans and cease enrollment or graduate are required to complete [Exit Counseling](#) on the Federal Student Aid website.

Professional Judgement Review:

The WDTC Financial Aid Office has the authority under the law (section 479A of the Higher Education Act) to make adjustments, on the basis of adequate documentation, and on a case-by-case basis, to address circumstances not reflected in a student's original Free Application for Federal Student Aid (FAFSA).

When exercising professional judgment, the WDTC Financial Aid Office will be mindful of statutory limitations and only address special circumstances, which are conditional that differentiate an individual student from a class of students. The purpose of a professional judgment is to determine an Expected Family Contribution (EFC) that reflect the student's family's current financial situation or educational cost of attendance.

Some examples of special circumstances include, but are not limited to:

- Loss of employment;
- Unusual family medical or dental expenses not covered by insurance;
- Tuition expenses at an elementary or secondary school for the student's siblings or dependents;
- Extraordinary dependent care expenses;
- Divorce of a dependent student's parent or of an independent student; or
- Death of a dependent student's parent or of an independent student's spouse.

Each professional judgment request will be considered on a case-by-case basis and will require specific documentation for each case along with the Professional Judgment form. To request a Professional Judgment review please contact the WDTC Financial Aid Office at (605) 718-2988 or finaid@wdt.edu. All documentation must be received before a final decision can be determined.

Once a decision is made the student will be notified of the determination along with any changes that are reflected in the financial aid offer for the year.

Financial Aid Programs and Award Guidelines:

The following sections describe the various financial assistance programs available at Western Dakota Technical College. These descriptions are summaries and do not contain all of the rules and regulations that apply. In addition, all of the aid described below is distributed based upon financial need. For more information, contact the [Financial Aid Team](#).

Federal Pell Grants

Federal Pell Grants are free grants that do not have to be paid back. They are awarded to students who have a particular level of need determined by the federal government, have not received their first bachelor's degree and have not already reached their Pell Lifetime Eligibility Limit.

Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a free grant and does not have to be paid back. The federal government allocates monies to institutions to award FSEOG grants to exceptionally needy students. Priority must be given to Pell Grant recipients. Since the funds are limited, students may also be required to meet the preference deadline of April 1 to be considered for the FSEOG.

Federal Direct Subsidized Loan

The Federal Subsidized Loan is a need-based loan made to students by the U.S. Department of Education. Interest is covered while the student is enrolled in school with at least half-time enrollment status. Repayment begins six months after the borrower completes his/her education or ceases to be at least a half- time student. Contact the financial aid office for current year information about the Federal Direct Subsidized Loan's annual

award amounts and current interest rates.

Federal Direct Unsubsidized Loan

The Federal Direct Unsubsidized Loan is a non-need-based loan made to students by the U.S. Department of Education. Interest accrues immediately, which the student can choose to pay quarterly or let capitalize. Principal payments do not begin until six months after the borrower completes his/her education or ceases to be at least a half-time student. If a parent is denied a Federal PLUS, a dependent student may be awarded additional funds under the Federal Direct Unsubsidized Loan Program. Contact the financial aid office for current year information about the Federal Direct Unsubsidized Loan's annual award amounts and current interest rates.

Federal Direct Parent Loan to Undergraduate Students (PLUS)

The Federal Direct PLUS enables parents with a good credit history to borrow money from the U.S. Department of Education to pay the education expenses of their dependent undergraduate student(s). If a parent is denied the Federal Direct PLUS, a dependent student may be awarded additional funds under the Federal Direct Unsubsidized Loan program. Federal Direct PLUS eligibility is not based on need. Repayment begins 60 days after the full disbursement of the loan; however, the parent may contact the servicer of this loan and ask about in-school deferments. The yearly limit on a Federal Direct PLUS is equal to the cost of attendance minus all other financial aid received by students. Contact the financial aid office for current year information and about the application procedures.

Federal Work-Study Program (FWS)

Federal Work Study provides jobs for undergraduate students with financial need, allowing them to earn money to help pay educational expenses. Limited funding for FWS is provided through the federal government with additional contributions from Western Dakota Technical College.

Defaulted Student Loans and/or Repayments:

Any student who is in default on a Student Loan will not receive payment for Federal Pell Grant, FSEOG, FWS, and Federal Student Loans. If a student owes a repayment on a grant, no further payments of financial aid funds can be made to that student until the repayment has been made.

Post-Withdrawal Disbursements:

An eligible student who withdraws before receiving a Title IV disbursement may be eligible to receive a post-withdrawal disbursement. However, any post-withdrawal disbursement due to the student will be applied to the student's account (when applicable and permissible) before the student receives any funds. A student must make satisfactory arrangements to pay their student account, if a balance is outstanding. Failure to make satisfactory arrangements may result in turning the account over to a collection agency for processing, which may result in additional fees to the student.

Student Consumer Information:

Prospective students, current students and community members are encouraged to review [Consumer Information](#), which provides a comprehensive overview of Western Dakota Technical College and its practices, including crime statistics, privacy, financial aid, and other important policies.

Financial Aid Satisfactory Academic Progress – [WDTC Policy 4011](#)

Whether or not a student has or will receive financial aid, federal regulations require Western Dakota Technical College to establish and implement a policy to measure if a student is making satisfactory academic progress toward a degree. Federal student aid funds include but are not limited to: Unsubsidized Direct Loan, Subsidized Direct Loan, Parent PLUS Loan, Federal Pell grant, Federal Supplemental Educational Opportunity Grant (FSEOG) and work-study.

Other federal, state, and private agencies may require students to maintain satisfactory academic progress for their aid programs as well. The academic record of all students will be monitored to ensure compliance with the requirements specified below. Therefore, even the academic record of those who have not received federal student aid in the past may impact future eligibility. Satisfactory Academic Progress is measured at the end of each term (fall, spring and summer).

Failure to meet any of the three following standards will result in a warning or termination of eligibility for federal student aid.

1. Minimum Cumulative Grade Point Average (Qualitative measure)

Federal regulations require a cumulative GPA of 2.0 or higher for undergraduate students. The cumulative GPA is calculated on all Western Dakota Technical College courses excluding credit by exam, transfer credit, and audited coursework.

2. Pace of progression for cumulative credits attempted and completed (Quantitative measure)

All students must successfully complete 67% of cumulative attempted credit hours. Attempted credit hours include all hours that would appear on a student's academic transcript at the end of any given term, including withdrawals, incompletes, repeated courses, remedial coursework, credit by exam, and transfer credit. Audited coursework is not included. Credit hours that may have been part of a successful academic amnesty appeal will be included. WDTC uses normal rounding rules for calculation of Pace.

Successfully completed hours include grades of A, B, C, D, CE (Credit by Exam), TC (Transfer Credit), TF (Transcript Fee), and S (Satisfactory). All other grades would not be considered successful completion such as F (failure), I (incomplete), IP (in progress), WF (withdraw failing) and W (withdraw).

3. Maximum Attempted Credit Hours

There is a limit on the number of credit hours a student can attempt and remain eligible for federal student aid. All credits attempted (except audited coursework) are included. This limit is based on 150% of the credit hours needed to complete the certificate, degree, or diploma that the student is pursuing.

Example:

Associate of Applied Science in Surgical Technology = 90 maximum credit hours attempted (based on a 60-credit hour program).

Incompletes:

If a student is unable to complete all requirements, due to special circumstances approved by the instructor, an incomplete may be issued. The incomplete will not be calculated into the grade point average. If the student does not complete the work within the specified time frame, a grade of an F will be assigned. The student will receive the letter grade when all work has been successfully completed. Incomplete grades will be monitored by the Registrar's Office and documentation of the grade change will be provided to the Financial Aid Office. The final grade can affect both GPA and completion requirements. Incompletes are calculated as attempted credits but not successfully earned credits.

Repeated Courses:

In certain circumstances, students may receive financial aid for repeated courses. Repeated courses will be used in the calculation of a student's Satisfactory Academic Progress status. Each repetition will count towards the attempted credit hours (quantitative) and the highest grade will be counted in the cumulative GPA calculation (qualitative) for SAP. Federal aid regulations may limit the number of times a course can be repeated and eligible for aid.

Progression/Repeating a Course:

Students may choose to repeat courses for which credit has been granted only once to improve a grade. When students repeat such courses, the highest grade received is calculated in the grade point average; the earlier grade(s) received are indicated on the official transcript, but a notation is made that the course has been repeated. For Satisfactory Academic Progress calculations, both grades are included. All repeated courses are calculated towards cumulative GPA, pace, and maximum timeframe.

Remedial Courses:

Remedial courses are considered in the credit hours attempted and credit hours completed for the quantitative calculation of Satisfactory Academic Progress even though the hours do not count towards graduation requirements. Remedial courses are considered eligible courses for financial aid purposes and enrollment status.

Withdraw from a Course:

Courses that a student withdraws from are included in credit hours attempted but not credit hours completed when calculating pace and maximum time frame. Withdrawn courses are given the grade of a 'W' or 'WF'. Students will receive a 'W' anytime they withdraw after the drop period as outlined on the academic calendar. Students will receive a 'WF' if they are administratively withdrawn from the College.

Transfer Credits:

Transfer credits that have been accepted by Western Dakota Technical College toward a current degree are subject to the Satisfactory Academic Progress maximum attempted credit hour calculation. Transfer credits are included in the 150% calculation at which a student is progressing.

Change of Program:

The student is eligible to receive aid for no more than 150% of all the credit hours required to complete the new program of study. The 150% limit is applied to all credit hours earned by the student while enrolled at Western Dakota Technical College and includes all transferred credits accepted from previously attended institutions that apply to the current degree. A degree audit will be completed by the Registrar's office and provided to the Financial Aid office.

Pursuit of 2nd Degree:

The Registrar's Office will provide a degree audit to the Financial Aid Office for students pursuing a 2nd degree from Western Dakota Technical College. The student is eligible to receive financial aid for no more than 150% of the credit hours required to complete the 2nd program of study. The 150% limit is applied to all hours earned by the student while enrolled at Western Dakota Technical College and includes transferred credits accepted from previously attended institutions for current degree. Credits earned for a degree already awarded by Western Dakota Technical College are not included in the 150% of the new degree program, unless it applies to the 2nd degree.

Financial Aid SAP Terminology:Financial Aid Warning

Students who achieve a cumulative GPA below 2.0 or who have not successfully completed at least 67% of credits attempted at Western Dakota Technical College at the end of a semester will be placed on financial aid warning. Students are eligible to receive aid during the financial aid warning semester. Students are expected to achieve a 2.0 cumulative GPA and have a completion rate of at least 67% at the end of the financial aid warning semester to return to good standing. Students are notified at the end of the term via email and U.S. mail if they are on Financial Aid Warning. A student can have more than one warning period, but it cannot be consecutive semesters. Students on Financial Aid Warning should contact their Student Success Coach to complete a student success contract to assist in their future success.

Financial Aid Termination of Eligibility

Failure to achieve a 2.0 cumulative GPA or completion of at least 67% of credits attempted at the completion of the warning semester will result in financial aid termination of eligibility. Financial aid termination of eligibility may also be assigned to students who are unable to demonstrate that they can complete their program within the 150% maximum timeframe. Students on financial aid termination are not eligible to receive federal or state financial aid. Students are notified at the end of the term via email and U.S. mail if they are on Financial Aid Termination.

Financial Aid Probation

Students on financial aid termination who successfully appeal the financial aid termination will be reinstated for financial aid on a probationary status. During probation, which lasts one term, students are expected to successfully meet the terms of probation as outlined in their Academic Plan. Academic Plans are completed and monitored by a Student Success Coach. Students may continue to receive aid for subsequent semesters if they continue to meet their Academic Plan. Students will return to good standing upon achieving a 2.0 cumulative GPA and successfully completing at least 67% of credits attempted.

Academic Plan

Students on financial aid probation that successfully complete their academic plan but have not fully returned to good status will remain on an academic plan. Students may continue to receive aid for subsequent semester if they continue to meet their academic plan. Students will return to good standing upon achieving a 2.0 cumulative GPA and successfully completing at least 67% of credits attempted.

Appealing Financial Aid Termination of Eligibility:

Students who are placed on financial aid termination may complete a Satisfactory Academic Progress Appeal form to explain circumstances that adversely affected their ability to be academically successful at Western Dakota Technical College. Students are advised to carefully read the procedures for submitting an appeal listed on the appeal form and submit the requested documentation with their appeal. Each appeal will be dealt with on a case-by-case basis; therefore, each appeal is evaluated on its own merits or lack thereof. As a result, no appeal is guaranteed to be approved by the SAP Committee.

Reason for appeal may include: personal illness or illness of immediate family member, death of an immediate family member, change of program, or other special circumstances that prevented the student from being successful. Appeals cannot be approved for unresolved situations without solid evidence that the situation will not affect your academic performance.

To ensure a timely review, appeals must be received by the published deadline for the semester you wish to enroll. All appeals are reviewed by the SAP Committee. You will be notified of the result of your appeal by text and email.

If your appeal is approved, financial aid will be reinstated for one term and you will be notified via text and email. Based upon the circumstances of an approved appeal, the Appeals Committee reserves the right to stipulate conditions the student must meet to be considered for financial aid on a probationary basis for subsequent semesters. Conditions of your specific appeal will be outlined in your academic plan. A student may go beyond 150% max timeframe if it is approved with a successful appeal and an implemented Academic Plan. An example of a condition may include a requirement to complete 100% of all courses attempted with no withdrawals or failures with a 2.0 term GPA.

Reinstatement of Financial Aid Eligibility:

If the committee does not approve your appeal, you will be notified via text and email. The student must then come into compliance on their own without use of the federal aid programs. Students who have lost their

Financial Aid eligibility but have subsequently met the qualitative and/or quantitative standards as stated above, will have their aid eligibility reinstated effective the next academic semester.

Return to Title IV:

The U.S. Department of Education requires institutions to apply the Return to Title IV Funds policy for students withdrawing from a College who receive Title IV financial aid. The Title IV programs at Western Dakota Technical College include: Federal Pell Grants, Direct Loans, Direct PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOG), and Iraq and Afghanistan Service Grant.

The requirements for return to Title IV program funds when you withdraw are separate from the WDTC refund policy – [Policy 6007](#) and [Procedure 6007.001](#). Therefore, you may still owe funds to the school to cover unpaid institutional charges. Western Dakota Technical College will charge the student for any Title IV program funds that Western Dakota Technical College is required to return.

A student who withdraws after the 60% point of a semester is entitled to retain all Title IV aid for that semester. However, if the student withdraws prior to the 60% point of the term, unearned Title IV funds as determined by the federal policy must be returned to the various programs. These funds must be returned even if the College provides no refund to the student. This means the student could owe Western Dakota Technical college and/or the U.S. Department of Education a significant amount of money.

Withdrawal Process:

The Return of Title IV funds policy is applied to any student who cancels enrollment, withdraws, drops to zero hours, takes a leave of absence, or is dismissed. This policy is applied to students who discontinue enrollment in all classes on or after the first day of the term. When you withdraw, two separate calculations must take place:

1. A refund of tuition and fees from WDTC must be calculated by the Bursar's Office (Student Accounts)
2. A return to Title IV must be calculated by the Financial Aid Office

If you cancel your registration prior to the first date of classes, this policy will not apply to you. Also, if you drop some but not all of your classes, these policies will not apply; however, you should notify the Financial Aid Office as your continued financial aid eligibility may be affected. Contact the Registrar's Office for information on withdrawing.

Attendance is taken in all courses at Western Dakota Technical College. The student's withdrawal date is the last date of attendance or engagement, which is referred to as LDA, in a course based on attendance records and verified by the Registrar's Office. The Financial Aid Office will use the LDA to calculate the return of funds.

Unofficial Withdraw:

If a student has not attended all enrolled courses for 8 consecutive days, the Student Success Coach attempts to contact the student. If the student has 14 days of non-attendance and has not begun the official withdrawal process, an official letter and email is sent to the student notifying the student of the attendance policy and the options to withdraw or risk of administrative withdrawal. Western Dakota Technical College is an attendance taking school and must be able to make this determination within 14 days if not sooner.

The Financial Aid Office will receive administrative withdrawal paperwork from the Registrar's Office and will complete the Return of Title IV calculation. The deadline to refund Title IV to the Department of Education is 45 days from the date the school determined the student withdrew.

Refund of Tuition and Fees:

Based upon the date you discontinue enrollment, you may receive a refund of your tuition and fees. See WDTC [Policy 6007](#) and [Procedure 6007.001](#) for details.

Determining Earned Aid:

Though your aid is posted to your account at the start of each semester, you earn the funds as you complete the semester. Title IV financial aid is earned by the calendar day, not class day. This includes weekends, holidays, and breaks of less than five consecutive days. Western Dakota Technical College is required to determine the amount of Title IV aid the withdrawing student has earned and then either disburse any additional funds the student may be entitled to up to the amount earned, or return funds in excess of the amount earned which the student has already received.

If you withdraw during your enrollment period, the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those funds. If you received more assistance than you earned, the excess funds must be returned by Western Dakota Technical College to Title IV.

When a student receiving Federal Title IV financial aid withdraws from Western Dakota Technical College during the enrollment period, the amount of the Title IV funds (not including Federal Work Study) that the student earned during the enrollment period is calculated as of the student's withdrawal date.

Title IV funds are earned at a fixed rate on a per day basis up to the 60% point in the enrollment period. Title IV funds are 100% earned if the withdrawal date is after the 60% point in that period.

If the date a student withdraws from Western Dakota Technical College is prior to or on the 60% point of the semester, Western Dakota Tech is required to determine the portion of the aid disbursed that was "earned" by the student before the withdrawal date. The "unearned" Title IV funds must be returned to the respective federal aid programs within 45 days after Western Dakota Technical College determines student withdrew. Unearned aid is the amount of disbursed Title IV aid that exceeds the amount of Title IV aid earned based on attendance in the enrollment period.

For example: If \$1000 in federal aid is disbursed, and the student withdraws at the 30% point of the term, \$700 of the aid is unearned and needs to be returned to the identified aid program.

The following formula is used to determine the percentage of unearned aid that has to be returned to the federal government:

- The percent earned is equal to the number of calendar days completed up to the withdrawal date, divided by the total calendar days in the payment period (less any scheduled breaks that are at least 5 days long).
- The payment period is the entire semester. For students enrolled in modules (courses which are not scheduled for the entire semester or term), the payment period only includes those days for the module(s) in which the student is registered.
- The percent unearned is equal to 100% minus the percent earned.

Calculating Return of Title IV Aid Amount

Once the earned and unearned aid percentages are determined, the next step is to calculate the dollar amount of unearned aid that must be returned to the financial aid programs. The return amount is determined by multiplying the unearned aid percentages by the total of all Title IV aid received.

School Portion of the Return

The amount of unearned aid that must be returned by Western Dakota Technical College is a percentage of the institutional charges (tuition and fees) for the term. Once the dollar amount of the school portion of the return is determined, it is compared to the total amount of all unearned aid. If a school's portion is less than the total

unearned aid, then Western Dakota Technical College must return the amount of the school portion. If the calculated school portion exceeds the total unearned aid, then Western Dakota Technical College must return the amount of the total unearned aid. After the school returns the correct amount of financial aid, any amount of the total unearned aid that remains becomes the student portion of the return. The student portion of the return is calculated by subtracting the amount of the school return from the total unearned aid.

Order of Aid to be Returned:

Financial Aid will be returned to the aid program from which it came. If returned to a loan program, your outstanding balance will be reduced by the amount of the return. Financial Aid will be returned in the following order:

1. Unsubsidized Direct Loan
2. Subsidized Direct Loan
3. Direct PLUS Loan
4. Federal Pell Grant
5. Federal Supplemental Educational Opportunity Grant (FSEOG)
6. Iraq and Afghanistan Service Grant

The school must return the amount of Title IV funds for which it is responsible no later than 45 days after the date of determination.

Grant Overpayment:

Any amount of unearned grant funds that the student must return is called an overpayment. The maximum amount of a grant overpayment the student must repay is half the grant funds that were received or scheduled to receive. The student does not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. Arrangements must be made with Western Dakota Technical College or the Department of Education to return the unearned grant funds. The student will be notified of any grant overpayment within 30 days of the date the school determined the student withdrew.

Late or Post-Withdraw Disbursement:

If the student did not receive all of the funds that were earned prior to withdrawing, a post-withdrawal disbursement may be due. If the post-withdrawal disbursement includes loan funds, the student must give permission before the funds can be disbursed. Western Dakota Technical College may automatically use all or a portion of the post-withdrawal disbursement of grant funds for tuition and fees. Permission is required to use the post-withdrawal grant disbursement for all other school charges. Students will be notified in writing of post-withdrawal disbursement eligibility for Federal Direct Loans within 30 days of the date of withdrawal determination to offer them the opportunity to accept all or part of their disbursement for Title IV loans.

Notification to Student:

Once the Return to Title IV Funds calculation has occurred, the Financial Aid Office will notify the student of the results of the calculation and the aid that was returned. The Student Accounts Office will notify the student of any outstanding balance now due to the institution as a result.

Sample of Return to Title IV Calculations:

1. A student withdraws from Western Dakota Technical College after completing 34.9% of the total semester.
 - The semester began on January 8th and ended on May 11th
 - The student completely withdraws on February 14th
 - This is the 38th day of the semester that is 109 days long (or 34.9%)

Type of Aid	Financial Aid Disbursed	Total Aid Earned (student keeps)	Total Aid Unearned (returned to program)

Unsubsidized Direct Loan	\$2,969	\$776	\$2,193
Subsidized Direct Loan	\$1,732	\$1,732	\$0
Direct Plus Loan	\$0	\$0	\$0
Federal Pell Grant	\$2,960	\$2,960	\$0
FSEOG	\$250	\$250	\$0

2. Federal law states that the student has earned 34.9% of federal aid disbursed
3. 65.1% has been determined to be unearned aid. The unearned aid is returned as follows:
 - Unsubsidized Direct Loan – \$2,193 (returned by Western Dakota Technical College)
 - Subsidized Direct Loan – \$2,508 (student’s responsibility to repay in accordance with the terms of the borrower’s promissory note)

REFUND POLICY AND PROCEDURE – WDTA Policy 6007

Students who withdraw completely from WDTA will be eligible for refunds (excluding non-refundable fees) based on the last date of attendance (LDA) at WDTA.

The complete policy is located on the WDTA website’s policy page at <https://www.wdt.edu/about/policies-and-procedures>.

SCHOLARSHIPS

To help make education more assessable and affordable to new and current WDTA students, scholarships are made available through the Western Dakota Technical College Foundation by the generosity of our donors.

Scholarship information and applications are found on MyWDTA’s public webpage under the scholarship tab. This includes known 3rd-Party scholarship information. Additional scholarship information including additional Build Dakota Scholarship information and Build Dakota Industry Sponsorship information is located at <https://www.wdt.edu/paying-for-school/scholarships/>.

Scholarship GPA is determined by:

- 1) Cumulative GPA in current program of study excluding any remedial courses or cumulative GPA for current WDTA students, whichever is higher.
- 2) Cumulative WDTA GPA for returning WDTA students that have not started their new program of study.
- 3) Most recent GPA (high school or another college) for incoming students that do not have a WDTA GPA.

For more inquires or assistance with applying for scholarships, please email WDTScholarship@wdt.edu. You can also contact the Scholarship Outreach Specialist at 605-718-3064 or the Assistant Director of Scholarships at 605-718-3061.

TUITION AND FEES

All tuition and fees billed to the student’s account must be paid in full or a payment plan must be in place three weeks prior to the start of the semester that the student is enrolled or upon enrollment between three weeks prior to the start of the semester and the end of the add period as identified in the academic calendar found at <https://www.wdt.edu/current-students/academic-calendar>. Student schedules will be removed for all students who have not paid their bill in full, completed a payment plan, submitted third party authorization, or completed financial aid requirements. Additionally, students will be withdrawn from all courses prior to or during a semester if payment agreements are not met.

Section Four: General Campus Policies

ABANDONED PERSONAL PROPERTY

Personal property found on campus should be turned into the Lost and Found in the designated program area or to Enrollment Services. Any personal property left on campus or in the Lost and Found without indication of ownership will be considered abandoned property after thirty (30) days. In the event WDTC has information indicating the ownership of the personal property, WDTC will send notice to the student at his/her last known email or physical address, advising the student to collect and remove the personal property left at WDTC within thirty (30) days or the property will be considered legally abandoned and will become the property of WDTC. In its' discretion, WDTC may dispose of the abandoned property as it sees fit. In the event WDTC sells the abandoned property, the sale proceeds will not be credited to the student's account.

ALCOHOL AND OTHER DRUGS

Western Dakota Tech (WDTC) believes that the illegal use of drugs and alcohol presents a serious health and safety hazard to the College community and interferes with educational and occupational success. A person needs to feel secure to perform at a maximum level. Therefore, campus safety and security must be a concern of every student and employee at WDTC. Furthermore, drug use and alcohol abuse affect the entire campus community in increased drop-out rates, academic failure, disciplinary problems, and progression into addiction.

The College fully complies with the Drug Free School and Communities Act of 1989 to prohibit the illegal possession, consumption, and distribution of drugs and alcohol on College property, during classes and at activities officially sponsored by the College. Students and employees may not consume alcoholic beverages on College property, during classes, or in connection with activities officially sponsored by the College except by permission of the local Board or designee, and only then, if of legal age to consume alcohol.

Furthermore, students are prohibited from being on campus property while in an intoxicated state. Additionally, possession of empty alcohol beverage containers and drug paraphernalia is also prohibited. No student organization may sponsor any student-related activity at which alcoholic beverages are to be consumed.

WDTC supports all federal, state, and local ordinances pertaining to alcohol and drugs and will fully cooperate with law enforcement authorities to protect the students and employees of the College from the illegal possession, purchase, sale, and manufacture of controlled substances and alcohol.

For the purpose of this policy, drug includes all controlled substances, illegal or controlled mood-altering chemicals, all look-alike drugs, all chemicals that release toxic vapors, and any prescription or patent drugs except those medications prescribed by and under the supervision of a licensed physician in a manner consistent with WDTC policy.

Although some forms of marijuana may be legal at the state level, marijuana is considered a Schedule I drug under federal law, even when recommended by a certified physician. Accordingly, students, employees, visitors, and guests, including those with a medical card, are prohibited from possessing, distributing, using, or being under the influence of marijuana on college property and in connection with its programs and activities off campus. Those caught in possession, using, or being under the influence of cannabis are subject to disciplinary action and possible legal action.

As part of the effort to create a drug-free campus, WDTC believes the college community should be educated about the physical and emotional health hazards the misuse of drugs and alcohol presents. WDTC provides information and educational programs on substance abuse throughout the year to students and employees. Listed below are some of the health risks associated with using/abusing alcohol and various drugs. (Please note that the dangers associated with substance abuse are not limited to only the conditions listed below.)

- Alcohol - Heart and liver damage; brain damage; death from overdose and accidents

WDTC is committed to ensuring that orders of protection issued by courts are fully enforced on College property. Therefore, if a student obtains a Personal Protection Order, No Contact Order, or Restraining Order, he or she should promptly inform the Director of Student Success and provide the Director of Student Success with a copy of that order, so that the College can enforce it.

Any action by a member of the WDTC community to penalize, intimidate, harass, or take adverse action against a person who reports or participates in the investigation of a concern/complaint/ grievance is prohibited. Retaliation may be found even when the underlying report does not constitute a concern/complaint/grievance.

A time shall be set for a hearing between the student and the Hearing Officer (the VP not involved in the informal resolution), not less than five nor more than fifteen calendar days after the student has been officially notified by school email or written letter in U.S. mail. The minimum time limits may be waived by the party charged. Maximum time limits for scheduling of hearings may be extended at the discretion of the Hearing Officer.

Hearings shall be conducted by the Hearing Officer according to the following guidelines:

9. Except in the case of a student charged with failing to obey the summons of the Hearing Officer or WDTC official, no student may be found to have violated the Code of Conduct solely because the student failed to appear before the Hearing Officer. In all cases, the evidence in support of the allegations shall be presented and considered.

Sanctions

In each case in which the Hearing Officer determines that there is a preponderance of evidence that a student has violated the WDTC Code of Conduct, the Hearing Officer shall uphold or modify the recommended sanction(s) based on the principle of "like sanctions for like violations" and the principle of a sanction being commensurate with the violation.

In the case of a drug or alcohol violation, the sanction imposed will reflect what is stated in the Alcohol and Other Drugs section of the Student Handbook.

Following the hearing, the Director of Student Success or designated representative shall provide a written summary of the findings of fact, conclusions, and recommendations, if any, reached by the Hearing Officer and of the sanction(s) imposed, if any, to the parties involved.

2. [WDTC Policy 2005/4005](#) – Discrimination and Harassment

When a discrimination and/or harassment concern is brought forward, the Title IX Coordinator determines if the incident or suspected incident falls within the scope of WDTC policy 2001/4001 – Sexual Harassment – Title IX. If so, policy 2001/4001 and procedure [2001/4001.Procedure.001, known as Grievance Process - Process A](#) are used. Due to the volume of Grievance Process – Process A, students must go to the WDTC policy page to view or contact a Student Success Center employee to print a hard copy.

If the incident or suspected incident does not fall within the scope of Policy 2001/4001, the matter may fall under 2005/4005 – Discrimination and Harassment. If so, the following resolution process (Student Grievance Procedure) will be used.

Student Grievance Procedure (Resolution Process) for Policy 2005/4005

WDTC does not discriminate on the basis of any protected classes in its education-related programs and activities, providing equal educational opportunities to all persons. The College has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints. The College's Title IX Coordinator has been designated to receive and review reports of discrimination or harassment.

The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of any of the protected classes with the U.S. Department of Education, Office for Civil Rights, and Department of Justice, Civil Rights Division: One Petticoat Lane; 1010 Walnut Street, Suite 320 Kansas City, MO 64106; (816)268-0550; OCR.KansasCity@ed.gov

Level 1 (Grievance): Grievances should be submitted as soon as possible, but no later than twenty-five (25) calendar days after the alleged act of discrimination or harassment. A grievance must be submitted to the Director of Student Success Western Dakota Tech, 800 Mickelson Drive, Office D1160A, Rapid City, South Dakota 57703. In the event the grievance is against an action taken by the Director of Student Success, the complainant may file his/her grievance with the WDTC President, Western Dakota Tech, 800 Mickelson Drive, Rapid City, South Dakota 57703; 1-605-718-2402.

A grievance must be in writing and contain the following:

- The name, mailing address, e-mail address, and phone number of the individual filing the grievance;
- A full description of the problem; and
- A statement of the remedy or relief requested.

Alternative options for filing complaints, such as personal interviews or audio/visual recording of the complaint, will be made available for persons with disabilities upon request.

The Director of Student Success, or his/her designee, shall conduct an investigation which is to be completed expeditiously, normally within thirty (30) calendar days. An investigation may be informal, but must be thorough, affording all interested persons an opportunity to submit evidence relevant to the grievance. The Director of Student Success, at his or her sole discretion, may gather additional information necessary to consideration of the grievance, including, but not limited to, interviewing individuals who may possess relevant information. The Director of Student Success will maintain the files and records relating to such grievances. Grievances will remain confidential, except to the extent necessary to conduct a review of facts and as authorized by law.

Within fifteen (15) calendar days after the conclusion of the investigation, the Director of Student Success will communicate a decision for resolution to the complainant via the student's WDTC email account with a follow-up letter sent to the permanent address on file in a format accessible to the person filing the complaint. This deadline may be extended for good cause, as determined by the Director of Student Success or by written agreement of the parties. The Director of Student Success written decision shall also include notice of the complainant's right to appeal the decision.

Level 2 (Appeal): If the complainant disputes the Director of Student Success' decision, the complainant may appeal the Level 1 decision to the VP for Institutional Effectiveness and Student Success within fifteen (15) calendar days after receipt of the Level 1 decision. The appeal must be submitted to the Director of Student Success.

The appeal must be in writing and contain the following:

- The name, mailing address, e-mail address, and phone number of the individual filing the grievance.
- The specific factual and/or procedural basis for the appeal or disagreement with the Level 1 decision.

An appeal must be directed only to issues raised in the original grievance and cannot raise new issues. Upon receipt of an appeal, the Director of Student Success shall submit the appeal and the materials prepared at the Level 1 grievance (including the results of the Level 1 investigation) to the VP for Institutional Effectiveness and Student Success.

The VP for Institutional Effectiveness and Student Success shall review the written appeal and investigative materials. The VP for Institutional Effectiveness and Student Success, at his or her sole discretion, may request additional information necessary for consideration of the appeal. Within thirty (30) calendar days of the appeal filing date, the VP for Institutional Effectiveness and Student Success shall issue a written decision. This deadline may be extended by the VP for Institutional Effectiveness and Student Success for good cause. All appeal decisions are final.

Other Student Complaints

WDTC works to protect the rights of all students. WDTC is committed to providing a safe environment that promotes intellectual growth and personal development. Students should be afforded the right to an environment free of unfair or improper action by any other member of the WDTC academic community as described in the Student Rights and Responsibilities section.

The following resolution process will be used for complaints brought forth by students against a member of the WDTC community if the complaint is not covered by other established resolution processes. It should be noted that students hold a responsibility for complying with all WDTC policies and procedures and the requirements of individual courses as outlined on the course syllabus provided by each instructor.

Informal Resolution

WDTC faculty and staff strive to resolve complaints at the lowest possible level, as appropriate. Any WDTC

student who feels their rights have been violated should first attempt to resolve the matter with the individual involved. The student may contact a Student Success Coach for assistance with informal resolution and meeting facilitation.

If the student feels that the complaint has not been resolved at the informal level, the student may file for a formal resolution.

Formal Resolution

1. Within 10 working days of the completion of the informal resolution process, the student must submit a formal grievance to the Director of Student Success or designated representative.
2. The Director of Student Success or designated representative will work with the appropriate Vice President, within 10 working days of receiving the formal grievance, to request a response from the person with whom the grievance is made. That person should respond within 10 working days. Failure to respond will not stop the resolution process.
3. The appropriate Vice President will review all submitted material and, within 10 working days, communicate a decision for resolution to the parties involved via the student's WDTC email account with a follow-up letter sent to the permanent address on file.

Appeal

Should the student feel the resolution reached by the Vice President to be unsatisfactory, the student must submit a written appeal within 10 working days of the formal resolution to the Director of Student Success to deliver to a VP who was not involved in the formal resolution process. That VP will conduct an investigation and, if necessary, appoint a committee to review the appeal. The VP will issue a decision within 10 working days of the appeal. All appeal decisions are final.
