

- The diversity of courses will prepare you for entry-level health care and support positions.
- Allied Health will aid in career advancement and increase pay for those working in health care.
- You will be prepared to enter other specific health care programs.

Allied Health

Students entering or who have completed health care diploma programs such as Dental Assisting, Medical Assisting, Phlebotomy/Laboratory Assistant, or Practical Nursing have an option of pursuing an Associate of Applied Science in Allied Health*.

Why Western Dakota Technical College?

We deliver a personal, career-oriented education ideal for the student pursuing a meaningful profession and prideful future. Faculty, staff, and administration are committed to teaching the knowledge, skills, and behaviors students need to be successful.
