## **CRIMINAL JUSTICE - LAW ENFORCEMENT EMPHASIS**

### **Associate of Applied Science, 63 Credit Hours, 18-Month Program**

The mission of the Criminal Justice: Law Enforcement emphasis program is to prepare students with the knowledge and skills necessary for employment as entry-level law enforcement officers. This is not a strictly academic program. It has an extensive hands-on component to it.

A law enforcement officer is an official representative of government who is entrusted with a wide variety of duties. Regardless of the type and size of the organization they work for, law enforcement officers are expected to perform in a professional manner. The highly competitive nature of obtaining most law enforcement positions requires applicants to be prepared academically, be physically fit, and have the hands-on skills necessary to do the job. Many entry-level applicants for law enforcement positions are encouraged or required to have completed at least two years of formal postsecondary education. The WDTC Law Enforcement program will help prepare students with these requirements.
