

- You will learn enhanced essential skills in proper meat processing and gain an understanding of the importance of food safety,
- Introduction to accounting, management and marketing skills.
- Students will visit local meat processing facilities and complete two internships throughout the associate degree program.

Meat Processing

A high demand for meat processors in this region has resulted in an innovative partnership between Western Dakota Technical College (WDTA) and Wall Meats to offer the Meat Processing program. According to the U.S. Bureau of Labor Statistics, in May 2022, the average wage in South Dakota was \$40,150.

Why Western Dakota Technical College?

We deliver a personal, career-oriented education ideal for the student pursuing a meaningful profession and prideful future. Faculty, staff, and administration are committed to teaching the knowledge, skills, and behaviors students need to be successful.
