

# WESTERN DAKOTA TECHNICAL COLLEGE

## PRACTICAL NURSING

### Diploma, 45 Credit Hours, 14-Month Program

The mission of the Practical Nursing program is to provide graduates with the knowledge, skills, attitude, and integrity to provide safe, prudent, and patient-centered care necessary to prepare them to successfully complete the National Council Licensure Examination for Practical Nursing (NCLEX-PN) and become employed as a Licensed Practical Nurse.

Licensed Practical Nurses (LPN's) are an important member of the healthcare team, and, in many settings, including long-term care, medical offices and transitional care, their role has expanded to include IV therapy and supervision. The Practical Nursing program stresses the importance of incorporating a variety of experiences including lecture, lab, and clinical hours to ensure graduates have the knowledge, skills, and experiences needed to be successful after graduation.

Students considering the Practical Nursing program are required to fulfill additional requirements before entering technical program courses. Please refer to the Practical Nursing Application Process or contact the Practical Nursing Program Director.

Course No.	Course Title	Credits
<b>Prerequisite Requirements</b>		
ENGL 101	COMPOSITION I*	3
HC 114	ANATOMY & PHYSIOLOGY FOR THE HEALTH PROFESSIONS	3

\* Prerequisite: Acceptable ACCUPLACER score or Basic Writing.

\*\* Prerequisite: Acceptable ACCUPLACER score or Elementary Algebra.

Clinicals, practicums, and internships may include, but are not limited to, differential shifts (evenings, nights, weekends, and holidays) to meet industry expectations. This may require travel outside the Rapid City area.

Professional licensure and certification requirements often vary from state to state. Educational requirements by state for this program can be found <https://www.wdt.edu/degree-programs/practical-nursing/>.
