

- The only program in South Dakota where students have a dedicate fabrication class each semester.
- Classes are structured around heavy lab time, so students receive more hands-on skills training.
- The program works closely with its advisory board members and other employers to help place students in our growing internship and sponsorship opportunities.

Welding & Fabrication

Growth in this industry is expected to grow steadily over the next decade. According to the Bureau of Labor Statistics, the average Western S.D. wage in May 2023 was \$ 47,000.

Why Western Dakota Technical College?

We deliver a personal, career-oriented education ideal for the student pursuing a meaningful profession and prideful future. Faculty, staff, and administration are committed to teaching the knowledge, skills, and behaviors students need to be successful.
