

ACCUPLACER Test Resources

1. Visit Accuplacer at <https://accuplacer.collegeboard.org/students/prepare-for-accuplacer/practice> and access practice tests for FREE.
2. Under “Register for free ACCUPLACER practice tests” click on “Start Practicing” and create an account. Then sign in with your account details.

Register for free ACCUPLACER practice tests

ACCUPLACER's free practice tests provide students with practice resembling actual tests. You'll need to create an account to access practice tests.

A screenshot of the ACCUPLACER sign-in page. At the top center is a red circular icon with a white padlock. Below it is the text "Sign in". There are two input fields: "Email Address *" and "Password *". The password field has a small eye icon to its right. Below the input fields is a yellow button with the text "Sign In". At the bottom, there are two links: "Forgot password?" and "Don't have an account? Sign Up".

- Under “Choose a Practice Test”, click on “ACCUPLACER”.

Choose a Practice Test

ACCUPLACER

ACCUPLACER measures key skills needed for academic and workforce success. ACCUPLACER reading, writing, and mathematics test scores are used to inform college placement decisions and to identify where students are likely to be positioned or likely to succeed within a postsecondary course framework.

From there you will have 5 different areas to practice:

ACCUPLACER Reading

ACCUPLACER Writing

ACCUPLACER Arithmetic

ACCUPLACER Quantitative Reasoning, Algebra, and Statistics

ACCUPLACER Algebra and Functions

Select a Practice Test to Begin

ACCUPLACER Reading

The Reading test focuses on your ability to understand a variety of different texts and to determine the meaning of words and phrases in different contexts. You will review passages of different lengths, content areas, and complexities.

LEARN AS YOU GO

PRACTICE TEST

ACCUPLACER Writing

The Writing test evaluates your ability to revise and edit multiparagraph text for effective expression of ideas, and to demonstrate your understanding of standard English conventions like sentence structure, usage, and punctuation.

LEARN AS YOU GO

PRACTICE TEST

ACCUPLACER Arithmetic

The Arithmetic test focuses on computation, order of operations, estimation and rounding, comparing and ordering values in different formats, and recognizing equivalent values across formats.

LEARN AS YOU GO

PRACTICE TEST

Quantitative Reasoning, Algebra, and Statistics

The Quantitative Reasoning, Algebra, and Statistics test assesses a range of topics including computing with rational numbers, applying ratios and proportional reasoning, creating linear expressions and equations, graphing and applying linear equations, understanding probability and sets, and interpreting graphical displays.

LEARN AS YOU GO

PRACTICE TEST

Advanced Algebra and Functions

The Advanced Algebra and Functions test focuses on equations and functions, including linear, quadratic, rational, radical, polynomial, and exponential.

LEARN AS YOU GO

PRACTICE TEST

4. You can try each test in 2 modes: “LEARN AS YOU GO” (as you select answers you can see why they are the best answer or not) or “PRACTICE TEST” (taking the test without it teaching you things).
