powered by FreedomPay

The cashless way to pay!

What is EzPay Café?

Aramark is pleased to introduce EzPay Café, powered by FreedomPay, the cashless way to pay at your cafeteria at Western Dakota Tech! It is a speedy, convenient and secure alternative to paying with credit card or cash.

Simply open your FreedomPay account with a credit/debit card or bank account. Select the amount of money to put into your account (you can open your account with as little as \$20). Tap your sticker on the reader at the register to pay, and the purchase amount is then deducted from your EzPay Café account.

How much will EzPay Café cost me to use?

FreedomPay is **FREE** to join and **FREE** to use when funding with:

- ACH (bank account) - Manually or automatically
FreedomPay's Platinum Service allows for unlimited funding via credit/debit card for just \$2.50 per month. Note: You are automatically enrolled in Platinum Service upon funding with a credit/debit card. Please contact FreedomPay Member Services to opt out.
