Veterans Day!

In Memory of those who Served....

In Honor of those who serve us now!
Many people confuse Memorial Day and Veterans Day. Do you know the difference?

**Memorial Day** is a day for remembering and honoring those who died serving their country.

On a **Veterans Day** we thank and honor those who served in the military.
The first celebration using the term Veterans Day occurred in Birmingham, Alabama, in 1947. Raymond Weeks, a World War II Veteran, organized "National Veterans Day". The event was held on November 11, then designated Armistice Day. Later, U.S. Representative Edward Rees of Kansas proposed a bill that would change Armistice Day to Veterans Day. In 1954, Congress passed the bill that President Eisenhower signed proclaiming November 11 as Veterans Day.
In 1921, an unknown World War I American Soldier was buried in Arlington National Cemetery. This site, on a hillside overlooking the Potomac River and the city of Washington, D.C., became a place of reverence for America’s Veterans.
At 11 a.m. on November 11, a combined color guard representing all military services executes “Present Arms” at the tomb. The nation’s tribute to its war dead is symbolized by the laying of a presidential wreath. The bugler plays “Taps.”

THANK YOU FOR YOUR SERVICE

The Pledge of Allegiance was written for the 400th anniversary, in 1892, of the discovery of America. A national committee of educators and civic leaders planned a public-school celebration of Columbus Day to center around the flag. Included with the script for ceremonies that would culminate in raising of the flag was the pledge. So it was in October 1892 Columbus Day programs that school children across the country first recited the Pledge of Allegiance.
I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands; one nation, under God, indivisible, with liberty and justice for all.
