| What is the overall <u>deductible</u> ?                                 | In- <u>Network</u> : <b>\$2,000</b> person/ <b>\$3,600</b><br>family per calendar year. Out-of-<br><u>Network</u> : <b>\$2,000</b> person/ <b>\$3,600</b> family<br>per calendar year.   | Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your <u>deductible</u> ?     | Yes. In- <u>network preventive care</u> ,<br>prescription drugs, routine vision exams<br>and services subject to office visit and<br><u>urgent care copayments</u> are covered<br>before you meet your <u>deductible</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .  |
| Are there other <u>deductibles</u> for specific services?               | No. There are no other <u>deductible</u> .   | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ? | Health In- <u>Network</u> : <b>\$4,000</b> person/<br><b>\$6,800</b> family per calendar year. Health<br>Out-Of- <u>Network</u> : <b>\$6,000</b> person/ <b>\$10,800</b><br>family per calendar year. Drug Card:<br><b>\$4,000</b> person/ <b>\$6,800</b> family per<br>calendar year. The In- <u>Network</u> health<br>and drug card <u>out-of-pocket</u> maximum<br>amounts accumulate together. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the<br>out-of-pocket limit?                     | Premiums, balance-billed charges, and health care this plan doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |
| Will you pay less if you use<br>a <u>network provider</u> ?             | Yes. See <u>www.wellmark.com</u> or call 1-<br>800-774-0384 for a list of <u>network</u><br><u>providers</u> .   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan</u> 's <u>network</u> . You will pay the most if you use an out-of- <u>network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an out-of- <u>network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
